Some preferred spots will have a partial view of the ring, but all are within easy walking distance of the ring. All spots are on hardtop parking. You will need weights for canopies. Grass is within walking distance but parking is NOT on grass. Each preferred spot is a double width parking spot (approximately 18 feet wide by 18 feet long) which allows for the vehicle (car, van , box truck) and space to work. Preferred spaces will have in/out privileges.

Those with large rigs, or needing additional space will want to reserve 2 spots to allow for their needs. This area is NOT for motor homes (ie vehicles with bathrooms/kitchens, etc). There is plenty of free parking at the show site for all exhibitors.

Please indicate your choice, and send payment with your reservation. **Make checks payable to ISCA. Cost is \$10 per day. If sending priority or Fed Ex/UPS please sign deliver without signature area**
