ISCA Rescue Volunteer Code of Ethics [Principles of Integrity]

1. Comply with all American Kennel Club rules and regulations, and Irish Setter Club of America policies.
2. Maintain a high standard of health, care and cleanliness for all rescue dogs.
3. Act in a sportsman like manner and not deliberately degrade breeders, rescue volunteers or other rescue groups.
4. Use a Rescue Owner Release form at the time of intake into rescue. Provide a written contract/agreement and Release of Liability and Indemnification for each dog placed through an Irish Setter Rescue Program.
5. Represent each Irish Setter being placed truthfully and realistically, and provide each adopting family with accurate records regarding health, history, age, medical care given and temperament testing.
6. Incorporate the following medical protocol for each dog being rehomed. Spay or neuter the dog unless given a veterinary waiver. Vaccinate appropriately for the region. Test and/or treat for

external and internal parasites (including heartworm). Microchip and register the chip information to prevent loss of the dog. Exceptions may be granted at the discretion of Rescue Financial Review Committee.

7. Reclaim any Irish Setter placed if the adopting family is no longer able to keep the dog.
8. Contact the ISCA National rescue coordinator when receiving a dog with registration papers. Rescue must contact breeder listed on the registration papers if contact information is available. If breeder refuses to accept their dog ISCA Rescue Coordinator is to be told. ISCA Rescue Coordinator will make all efforts to contact and encourage breeder to accept responsibility, financial or accept the return of the dog they bred. If an ISCA member/breeder, who has signed the Principles of Integrity, fails to accept responsibility for a dog they bred the ISCA Rescue Coordinator will refer their name to the board.
9. Coordinate with other rescue volunteers when learning of a dog in need so that resources are conserved. Contact first the rescue volunteer closest to the dog. Contact the National Coordinator if uncertain who is the closest volunteer. Agree to work with your ISCA Regional Coordinator and the National Coordinator, keeping them advised of dogs in need and homes needing dogs.
10. Agree not to purchase a rescue dog through auction.
