IRISH SETTER CLUB OF AMERICA – VERSATILITY TEST

Versatility Conformation judging is based on the present Standard which emphasizes the make and fit of all the individual parts and overall balance. You are not attempting to determine whether the dog is of championship caliber in conformation, but whether the specimen reflects the overall qualities of a pure-bred Irish Setter.

Dogs must be presented in a condition that will allow for the adequate evaluation of coat, color, structure and movement.

Dogs participating in this event need not be entered in one of the Field Events at this Hunting Test/Field Trial. ILP and PAL registered dogs may enter Versatility Tests.
