

Box Truck/Van/Car Reserved Parking Reservations

Irish Setter Club of America National Specialty

May 6 – 11, 2019

Crowne Plaza Hotel, Asheville, North Carolina

RESERVATIONS ACCEPTED AFTER JANUARY 29, 2019

Reserved Parking is just that; RESERVED. No spot gives you line of site to the rings. You can of course groom and set up ex-pens in the reserved parking. There is limited parking near the rooms. **Use of cones or anything to save spaces in the hotel parking lot is prohibited and if used, will be removed.** For in/out we recommend a reserved spot but it will not be near the hotel rooms.

Reserved spots are available by reservation ONLY. You can drive in and out of your spot each day at any time you prefer. Each preferred spot is a double width parking spot (approximately 20 feet wide by 20 feet long), which allows for the vehicle and space to work. Most reserved spots are on grass.

If you want to park next to someone you must send in together.

Those with large rigs or needing additional space will want to reserve 2 spots to allow for their needs. This area is NOT for motor homes (i.e. vehicles with bathrooms/kitchens, etc.).

Preference is given to those who are leaving their dogs in this vehicle overnight, staying for the longest period of time and staying at the Crowne Plaza Hotel.

Please indicate your choice, and send payment with your reservation. Make checks payable to ISCA. Cost is \$10 per day.
