Animal Requirements:

A valid Negative Coggins is required on all horses. Please do not unload your horses on the grounds until Anne Eichenberger has checked your Coggins certificate. This is a State of Arkansas requirement for our club and there will be no exceptions to this requirement.

Proof of current rabies vaccinations should be available on all dogs brought onto the grounds. Bitches in season are allowed to compete in all stakes. If your bitch comes in season after the drawing, please advise the Field Trial Secretary as soon as possible so that bracing changes can be done and posted in the clubhouse. Please load bitches in season in the designated/flagged dog boxes at the back of the dog wagon only.

Horse Stalls/Paddocks

There are box and stand-up stalls in the barn as well as outdoor horse paddocks/pens. Indoor box stalls and stand up stalls in the barn are for one horse per stall. Outdoor paddocks/pens are for a minimum of two horses per paddock/pen. Anne Eichenberger will reserve stalls and outdoor paddocks/pens for Judges and key committee personnel only. All other horse stalls and paddocks/pens will be on a first come/first serve basis for your own use. You may NOT reserve or hold stalls and/or paddocks/pens for those arriving later than you. Due to limited availability of stalls and pens, you may not reserve/hold an outdoor pen during the day and move to the barn in the evening or vice versa. A concrete wash area for horses is located at the end of the indoor horse stalls adjacent to the first row of dog kennels.

Dog Kennels

Chain link dog kennels with plastic barrels are available. Hoses are located near the kennels for fresh water and cleanup. Please exercise bitches in season away from other rigs and dogs in kennels. The kennels nearest the area where the horse trailers dump shavings can be used for bitches in season.

RV Pads

RV pads with electrical hookups are available as well as shower facilities in the clubhouse. Due to limited availability of the asphalt pads, Anne Eichenberger will coordinate the pads reserved for Judges and key committee personnel. All other RV asphalt pads will be on a first come/first served basis for your own personal use. There will be no reserving in advance for others arriving later than you. There is an additional camping area across the road with shower and laundry facilities.

Fees are as follows:

RV Pads (asphalt):	\$20.00/per night
RV Pads (<i>non-asphalt</i>):	\$10.00/per night
Primitive Camping Across Street	\$10.00/per night
Inside Barn Box Stalls (<i>1 horse per stall</i>)	\$10.00/per night
Inside Barn Stand Stalls (<i>1 horse per stall</i>)	\$1.00/per night
Outside Paddocks/Pens (<i>2 horse minimum per paddock/pen</i>)	\$5.00 per horse/per night
Dog Kennels	\$1.00 per dog/per night

All revenues collected at the event are used for funding our National Championship, with the exception of the across the road camping, which is paid to the Brittany Club.

Other

Please keep your dog kennels and horse pens clean. Tony should be available again this year for hire for horse stall/pen cleaning at a very reasonable "cash only" basis. Coordinate cleaning with Anne Eichenberger.

Training/Roading

No training will be allowed on the Championship grounds 30 days prior to the running of the National Championship. No roading of dogs on Championship grounds in gallery or prior to/or following day's running. You may use area across the road from clubhouse for roading.

Horse Rentals

Terry Zygalski of Gaited Pleasure Horses will once again serve as our wrangler. Full Day rentals will be \$130.00/per horse and half-day rentals will be \$70.00/per horse for advance reservations. A Horse Reservation Form with the Liability Release will be included with the premium and also posted on the ISCA website.

There will be a limited number of horses available. Advance reservations are strongly suggested and can be made with the Field Trial Secretary, Mary Ann Gustafson or with Terry Zygalski.
