## **AKC SANCTIONED 4-6 MONTHS PUPPY**

### **JUDGE: LORRAINE BISSO**

---

#### **Entries will close Wednesday Noon, MAY 11, 2022, at Superintendent's office.**

One combined class will be offered for breeds of dogs that are (4) four months & under (6) six months An AKC registration number or AKC litter number will be required for entries. A foreign born dog may enter this class if they are registered in the country of origin.

Dogs are required to be vaccinated (including rabies) in accordance with their veterinarian's protocol in order to avoid inadvertent transmission of illness by/to puppies not yet fully immunized.

Dogs that are owned or co-owned by a professional handler may compete in this class, but must be handled by a non-professional handler. Professional handlers are defined as any person who belongs or has belonged to a professional handlers' organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay within the last five years. Dogs may not be exhibited by current assistants or household members of a professional handler. A current assistant is defined as anyone employed by a professional handler on a full-time basis, or, assisting a professional handler at the show or any show during the cluster/weekend. Minors (under 18) with amateur status who reside with professional handlers and current assistants to professional handlers that are eligible to compete in Junior Showmanship (meet age and amateur status requirements) may personally exhibit dogs in the Four-to-Six Month (Beginner Puppy) Competition.

AKC Rules in Dealing with Misconduct will be applicable to any person and dog entered at this competition. All applicable rules found in Rules Applying to Dog Shows will govern the conduct of this competition unless these regulations state otherwise. Exhibitors should plan on opening the mouth of their puppy for the judges. Breed standard disqualifications such as color, height, weight or dentition shall not be a point of consideration in the judging process for this 4 & Under 6 Months Puppy in Show Competition.

### **AKC NATIONAL OWNER-HANDLED SERIES**

---

The AKC National Owner-Handled Series is a non-titling competition for dogs that are exhibited by their owners that are not professional handlers.

Exhibitors must declare their dog is Owner-Handled eligible at the time of entry on the entry form. Dogs entered in the Amateur-Owner-Handler class will automatically be marked as eligible to compete in the NOHS. Eligible dogs will be identified by an asterisk in the judge's book, steward's book & the catalog. Professional handlers,\* household members and current assistants to professional handlers\*\* may not exhibit. Dogs must be handled by an eligible owner/handler for the AKC NOHS throughout the breed level (all classes, Winners, and Best of Breed) competition.

Owner-Handled Best of Breed will be selected from the dogs that are eligible to compete in the Best of Breed competition including Winners Dog, Winners Bitch and winners of the non-regular classes.

- If the Best of Breed winner is Owner-Handled competition eligible, it will automatically be Owner-Handled Best of Breed.
- If the Best of Breed winner is not eligible for Owner-Handled competition and the Best of Opposite Sex to Best of Breed is eligible, the Best of Opposite Sex to Best of Breed will compete against the eligible exhibits of the other sex to determine Owner-Handled Best of Breed.
- If neither the Best of Breed nor the Best of Opposite Sex to Best of Breed are Owner-Handled competition eligible and Select Dog & Select Bitch are both eligible, the judge is to choose Best Owner-Handled exhibit from the Selects and eligible Winners Dog or Winners Bitch.
- No class dogs other than the Winners Dog & Winners Bitch are eligible to return to the ring.

## BIATHLON CHALLENGE

The Biathlon Challenge is a competition to honor the most versatile Irish Setter at the 2022 National Specialty.

### COMPETITION RULES

To be eligible, a dog must enter and compete in at least two (2) events offered at the National Specialty – agility, obedience, rally and Conformation (not including sweepstakes). Any combination of the two is acceptable. More than one person throughout the competition may handle the dog.

Dogs participating in these events can earn points, even if they do not qualify. Points, however cannot be earned by dogs that are excused for lameness or unacceptable behavior as defined by the rules of that particular event.

Points will be awarded for only one class in each of the events. If more than one class is entered, the one with the highest number of points earned will be used.

All scoring for the top award will be done from the official judge's book(s) for each event in order to verify the Irish Setter has met the participation requirement (i.e., was not excused).

The dog earning the highest number of points during the National Specialty week is winner of the Biathlon Challenge. Winner of the competition will be announced, and the award presented at the end of Best of Breed.

### ENTRIES

A registration form is attached. Entrants need to return said form and applicable fees to the Biathlon Coordinator by the deadline identified on the entry form.

## CONFORMATION

Since dogs entered in conformation do not receive scores, points are awarded based on the number of the dogs defeated in competition. Dogs defeated is determined by the number of dogs entered and shown in a class, not including those excused or disqualified. The maximum number of points awarded to a dog for any given class is 14.

One point is awarded for the dog itself being entered and shown. For example, in a class of 6 entries, first place would receive 6 points (one for itself and 1 point for each dog defeated), second place in class would earn 5 points, etc.

For dog advancing to Winners, Reserve Winners or higher, class points are dropped and the dog is awarded the number of points indicated below.

2. If a tie still exists or no Irish Setter competed in more than two (2) events, bonus points will be added to the tied scores based on level of competition in each event the Irish Setter participated in. # AKC Code of Sportsmanship

*PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companionship. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.*

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.
