

PARKING, GROOMING AND GENERAL HOTEL INFORMATION

The Embassy Suites hotel is an atrium style hotel. The rooms look out on to the atrium and there are two elevators located in the center of the hotel. There are four access doors to the hotel, and this distance from each door to the elevators is approximately same from each door. In addition to ISCA, the hotel will have additional guests not associated with our National event.

The hotel building is surrounded by parking lots and the grass area for the show is located up a small incline from the hotel parking lot (see site map). All of the parking areas are surrounded by hedges with access through the hedges to grass areas for exercising dogs. **DOGS ARE NOT TO BE EXERCISED ON THE GRASS AND LANDSCAPING BETWEEN THE HOTEL AND THE PARKING AREAS.**

The show rings CANNOT be seen from any of the parking lots. Parking areas with direct access to grass is limited. Access points through the hedges will be marked.

The show site is located up a small hill from the hotel. The distance from the hotel to the show rings is approximately 400 feet up the hill. There is a walking path from the front of the hotel to the show area that is a flatter walk of approximately 1000 feet. The show area is an open grass field with no trees. Apartment buildings are located along the hotel property line. You may not access the show site from these apartments.

PARKING

Parking Reservations will OPEN on March 1st and close on May 1st. Please do not pay for overnight mail or Fed Ex deliveries. This year, we will group reservations based on POSTMARK date (not date received) and the date an online payment was received. All the 3/1 postmarks and 3/1 online payments will be the first placed (taking into consideration the notes you provide with your reservation!!!). There will be various levels of reserved parking on the hotel site as described below.

Preferred Parking: Preferred parking spaces will consist of two standard size parking spaces located side to side. Preferred parking spaces will be located either closest to the show ring on grass, or on the show side of the hotel on asphalt. They can also be near access points to the grass areas on the back and non-show sides of the hotel. Cost \$ 10.00 per day. The spaces that are on the grass are of course weather dependent. If we have lots of rain, and the risk of damage is considered to be too high by the show chairman and her committee you will then be parked in the parking lot. Please say your prayers for dry weather!!!

Reserved parking: Reserved parking will be a single parking space located near the hotel access doors. Cost \$5.00 per day.

Handicap parking: There will be designated handicap spots near the entrance doors on all sides of the hotel. A reservation is required but there is NO CHARGE.

RV Parking:

1) Exhibitors camping off site in RVs These exhibitors may drive their RV over each day and may park their RV at the show site in a 4 space reserved parking area that allows equipment setups. The RV must be removed from the parking lot each day following conclusion of ISCA activities, however, equipment set up may remain in the designated parking space. ANY EQUIPMENT YOU LEAVE OUT WILL BE AT YOUR OWN RISK. Each RV must have a reservation. Each RV Parking space will consist of 4 parking spaces (2 wide and 2 deep). Exterior setups are allowed. Cost \$20.00 per day.

2) Exhibitors Staying at the Hotel. Members that are coming to the show in their RVs may also park their RVs and use them for grooming. They will need to pay for a reserved grooming space. \$20.00 per day. You will be able to leave your RV set up and not move it. ANY EQUIPMENT YOU LEAVE OUT WILL BE AT YOUR OWN RISK. Each RV Parking space will consist of 4 parking spaces (2 wide and 2 deep).

3) If you want to just park your RV and not use it for grooming we can accommodate that also. Please fill out a parking reservation just so we know how many to expect. I need to let the hotel know the number of RVs we are expecting.

Box Truck Parking:

Parking areas for handlers with large trucks will be located on the left (west) side of the hotel in the parking area adjacent to the grass leading to the show site. Box trucks **will have access to grass** thru bushes that we will have trimmed. You may have to share the access point with another box truck. Each space will be 36-feet wide and approximately 50 feet in length. Cost \$50.00 per day. An additional 4 box truck spaces each 27-feet wide are available. The location of the space and length of the space will be based on the length of the box truck. Cost \$40.00 per day.

GROOMING

There will be no reserved grooming. There will be an area for grooming under the tent. The areas will be marked for placement of your crates and tables. If space becomes limited, we may ask you to stack your crates to allow more people to set up under the tent. Private inverter generators can be used, but will be required to be 25 feet from the grooming tents. NO construction generators will be permitted anywhere on the hotel property.

You may bring your own popup to groom under. However, the popups used for grooming will have to be well back from the show ring. So you may want to bring two, one for watching the show and one for grooming under.

ANY EQUIPMENT YOU LEAVE AT THE SHOWSITE YOU DO SO AT YOUR OWN RISK.

DOG WALKING AREAS

DOGS ARE NOT TO BE EXERCISED ON THE GRASS AND LANDSCAPING BETWEEN THE HOTEL AND THE PARKING AREAS. Personal ex-pens can be set up in grass areas beyond the hedges surrounding the parking lots. There will not be a dog run area on site. The Coldstream Dog Park is a large dog park located approximately 0.7 miles by car or 0.5 miles by walking path from the hotel.

GOLF CARTS

ISCA will be running a shuttle from the parking lot to the show site. However, if you would like to rent golf cart: two person and four person gasoline golf carts can be rented through the ISCA's golf cart vendor up to the available number of units available from the vendor.

The Vendor is Dever Golf Carts.

859 523 5908

Our Contact person is Doug Henry

Please tell him that you are with ISCA

Golf Cart rentals are 90.00 per day. YOU MUST BE PRESENT AT THE HOTEL FOR BOTH DELIVERY AND PICK UP. Pickup is either Friday or Monday.
