MOVE UPS WILL BE ALLOWED AT THIS SHOW AND ALL TRIALS, PER AKC REGULATIONS

AKC SANCTIONED 4-6 MONTHS

JUDGE: Donald Sturz

Entries will close Wednesday Noon, May 10, 2023, at Superintendent's office.

One combined class will be offered for breeds of dogs that are (4) four months & under (6) six months An AKC registration number or AKC litter number will be required for entries. A foreign born dog may enter this class if they are registered in the country of origin.

Dogs are required to be vaccinated (including rabies) in accordance with their veterinarian's protocol in order to avoid inadvertent transmission of illness by/to puppies not yet fully immunized.

Dogs that are owned or co-owned by a professional handler may compete in this class, but must be handled by a non-professional handler. Professional handlers are defined as any person who belongs or has belonged to a professional handlers' organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay within the last five years. Dogs may not be exhibited by current assistants or household members of a professional handler. A current assistant is defined as anyone employed by a professional handler on a full-time basis, or, assisting a professional handler at the show or any show during the cluster/weekend. Minors (under 18) with amateur status who reside with professional handlers and current assistants to professional handlers that are eligible to compete in Junior Showmanship (meet age and amateur status requirements) may personally exhibit dogs in the Four-to-Six Month (Beginner Puppy) Competition.

AKC Rules in Dealing with Misconduct will be applicable to any person and dog entered at this competition. All applicable rules found in Rules Applying to Dog Shows will govern the conduct of this competition unless these regulations state otherwise. Exhibitors should plan on opening the mouth of their puppy for the judges. Breed standard disqualifications such as color, height, weight or dentition shall not be a point of consideration in the judging process for this 4 & Under 6 Months Puppy in Show Competition.

NATIONAL OWNER-HANDLED SERIES

The AKC National Owner-Handled Series is a non-titling competition for dogs that are exhibited by their owners that are not professional handlers. Exhibitors must declare their dog is Owner-Handled eligible at the time of entry on the entry form. Dogs entered in the Amateur-Owner-Handler class will automatically be marked as eligible to compete in the NOHS. Eligible dogs will be identified by an asterisk in the judge's book, steward's book & the catalog. Professional handlers,* household members and current assistants to professional handlers** may not exhibit. Dogs must be handled by an eligible owner/handler for the AKC NOHS throughout the breed level (all classes, Winners, and Best of Breed) competition.

Owner-Handled Best of Breed will be selected from the dogs that are eligible to compete in the Best of Breed competition including Winners Dog, Winners Bitch and winners of the non-regular classes.

- If the Best of Breed winner is Owner-Handled competition eligible, it will automatically be Owner-Handled Best of Breed.
- If the Best of Breed winner is not eligible for Owner-Handled competition and the Best of Opposite Sex to Best of Breed is eligible, the Best of Opposite Sex to Best of Breed will compete against the eligible exhibits of the other sex to determine Owner-Handled Best of Breed.
- If neither the Best of Breed nor the Best of Opposite Sex to Best of Breed are Owner-Handled competition eligible and Select Dog & Select Bitch are both eligible, the judge is to choose Best Owner-Handled exhibit from the Selects and eligible Winners Dog or Winners Bitch.
- No class dogs other than the Winners Dog & Winners Bitch are eligible to return to the ring.

*Professional handlers are defined as any person who belongs or has belonged to a professional handlers' organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay within the last five years

**A current assistant is defined as anyone employed by a professional handler on a full-time basis, or assisting a professional handler at the show or any time during the cluster/weekend. Current assistants that are eligible to compete in Junior Showmanship (meet age & amateur status requirements) may participate in NOHS.

Stud Dog Class and Brood Bitch Class: Each entry is shown with not less than two nor more than four of their get. All get must be entered in a regular class in order to be eligible to compete in the Stud Dog or Brood Bitch Class. Handlers of the Stud Dog or Brood Bitch, and all get being exhibited, must wear armbands. Team Class: Four Dogs, performing in unison, and presented by a maximum of four handlers. Dogs competing in the team class must have at least one common owner. Dogs do not need to be entered in any other class. Dogs comprising a Team Class must be named at the time of entry, and full particulars must be given for each dog on individual entry forms. If a dog which is to be part of a Team is not entered in another class, it must be entered for "Team Class only." An entry form for a dog entered in another class and entered as part of a Team must be marked accordingly in the space provided for additional classes as "Team Class."

OFF SITE RV RESERVATIONS

The Kentucky Horse Park Campground has reserved 20 sites for ISCA members. The sites are both 30 and 50 amp. Camp sites open May 29, 2023. They cannot open earlier due to a horse show that is utilizing most of the campground. The block will go through June 4, 2023, with a mandatory check out of 12pm. The reservation must include a stay on Friday June 2 and Saturday June 3 due to campground rules. Reservations are open now. CALL 859.259.4257 (choose option 2) to secure a spot in the ISCA block.

PARKING

Parking Reservations will OPEN on March 1st and close on April 30th. Please do not pay for overnight mail or Fed Ex deliveries. This year, we will group reservations based on POSTMARK date (not date received) and the date an online payment was received. All the 3/1 postmarks and 3/1 online payments will be the first placed (taking into consideration the notes you provide with your reservation!!!). There will be various levels of reserved parking on the hotel site as described below.

Preferred Parking: Preferred parking spaces will consist of two standard size parking spaces located side to side. Preferred parking spaces will be located either closest to the show ring on grass, or on the show side of the hotel on asphalt. They can also be near access points to the grass areas on the back and non-show sides of the hotel. Cost \$ 10.00 per day. The spaces that are on the grass are of course weather dependent. If we have lots of rain, and the risk of damage is considered to be too high by the show chairman and her committee you will then be parked in the parking lot. Please say your prayers for dry weather!!!

Reserved parking: Reserved parking will be a single parking space located near the hotel access doors. Cost \$5.00 per day.

Handicap parking: There will be designated handicap spots near the entrance doors on all sides of the hotel. A reservation is required but there is NO CHARGE.

RV Parking:

1) Exhibitors camping off site in RVs These exhibitors may drive their RV over each day and may park their RV at the show site in a 4 space reserved parking area that allows equipment setups. The RV must be removed from the parking lot each day following conclusion of ISCA activities, however, equipment set up may remain in the designated parking space. ANY EQUIPMENT YOU LEAVE OUT WILL BE AT YOUR OWN RISK. Each RV must have a reservation. Each RV Parking space will consist of 4 parking spaces (2 wide and 2 deep). Exterior setups are allowed. Cost \$20.00 per day.

2) Exhibitors Staying at the Hotel. Members that are coming to the show in their RVs may also park their RVs and use them for grooming. They will need to pay for a reserved grooming space. \$20.00 per day. You will be able to leave your RV set up and not move it. ANY EQUIPMENT YOU LEAVE OUT WILL BE AT YOUR OWN RISK. Each RV Parking space will consist of 4 parking spaces (2 wide and 2 deep).

3) If you want to just park your RV and not use it for grooming we can accommodate that also. Please fill out a parking reservation just so we know how many to expect. I need to let the hotel know the number of RVs we are expecting.

Box Truck Parking:

Parking areas for handlers with large trucks will be located on the left (west) side of the hotel in the parking area adjacent to the grass leading to the show site. Box trucks **will have access to grass** thru bushes that we will have trimmed. You may have to share the access point with another box truck. Each space will be 36-feet wide and approximately 50 feet in length. Cost \$50.00 per day. An additional 4 box truck spaces each 27-feet wide are available. The location of the space and length of the space will be based on the length of the box truck. Cost \$40.00 per day.

GROOMING

There will be no reserved grooming. There will be an area for grooming under the tent. The areas will be marked for placement of your crates and tables. If space becomes limited we may ask you to stack your crates to allow more people to set up under the tent. Private inverter generators can be used, but will be required to be 25 feet from the grooming tents. NO construction generators will be permitted anywhere on the hotel property.

You may bring your own pop up to groom under. However the popups used for grooming will have to be well back from the show ring. So you may want to bring two, one for watching the show and one for grooming under. ANY EQUIPMENT YOU LEAVE AT THE SHOWSITE YOU DO SO AT YOUR OWN RISK.

DOG WALKING AREAS

DOGS ARE NOT TO BE EXERCISED ON THE GRASS AND LANDSCAPING BETWEEN THE HOTEL AND THE PARKING AREAS. Personal ex-pens can be set up in grass areas beyond the hedges surrounding the parking lots. There will not be a dog run area on site. The Coldstream Dog Park is a large dog park located approximately 0.7 miles by car or 0.5 miles by walking path from the hotel.

GOLF CARTS

ISCA will be running a shuttle from the parking lot to the show site. However if you would like to rent golf cart: two person and four person gasoline golf carts can be rented through the ISCA's golf cart vendor up to the available number of units available from the vendor.

The Vendor is Dever Golf Carts.

Front and Back of Form Must Be Included

Biathlon Challenge

The Biathlon Challenge is a competition to honor the most versatile Irish Setter at the 2023 National Specialty.

COMPETITION RULES

To be eligible, a dog must enter and compete in at least two (2) events offered at the National Specialty – agility, obedience, rally and Conformation (not including sweepstakes). Any combination of the two is acceptable. More than one person throughout the competition may handle the dog.

Dogs participating in these events can earn points, even if they do not qualify. Points, however, cannot be earned by dogs that are excused for lameness or unacceptable behavior as defined by the rules of that particular event.

Points will be awarded for only one class in each of the events. If more than one class is entered, the one with the highest number of points earned will be used.

All scoring for the top award will be done from the official judge’s book(s) for each event in order to verify the Irish Setter has met the participation requirement (i.e. was not excused)

The dog earning the highest number of points during the National Specialty week is winner of the Biathlon Challenge. Winner of the competition will be announced, and the award presented after BOB on Saturday.
