Non-Regular Classes Involving Multiple Dog Entries

Note: Non-regular classes involving multiple entries may be judged before or after Best of Breed. As the judge's decision in these classes will be based on the merits of more than one dog, no one of the dogs making up the entry judged first in the class will be eligible to compete for Best of Breed or Best of Opposite Sex to Best of Breed by virtue of having won the class.

Stud Dog Class and Brood Bitch Class: Each entry is shown with not less than two nor more than four of their get. The merits of the Stud Dog or Brood Bitch are not considered in the placement of the entry. It is the quality of the get that forms the basis for the judge's decision. All get must be examined and gaited. The Stud Dog or Brood Bitch must also be examined to determine if there is a condition that would require disqualification or excusal under the Rules, AKC policy or the breed standard. All get must be entered in a regular class in order to be eligible to compete in the Stud Dog or Brood Bitch Class. Handlers of the Stud Dog or Brood Bitch, and all get being exhibited, must wear armbands. Ch. 11, Sec. 8 of the "Rules Applying to Dog Shows" provides that "a castrated male may be entered as a Stud Dog in the Stud Dog Class and a spayed bitch may be entered as a Brood Bitch in the Brood Bitch Class."

Brace Class: Two Dogs, performing in unison, and presented by a maximum of two handlers. Both dogs competing in the brace class must have at least one common owner. Dogs do not need to be entered in any other class. Dogs comprising a Brace Class must be named at the time of entry, and full particulars must be given for each dog on individual entry forms. If a dog which is to be part of a Brace is not entered in another class, it must be entered for "Brace Class only." An entry form for a dog entered in another class and entered as part of a Brace must be marked accordingly in the space provided for additional classes as "Brace Class."

Team Class: Four Dogs, performing in unison, and presented by a maximum of four handlers. Dogs competing in the team class must have at least one common owner. Dogs do not need to be entered in any other class. Dogs comprising a Team Class must be named at the time of entry, and full particulars must be given for each dog on individual entry forms. If a dog which is to be part of a Team is not entered in another class, it must be entered for "Team Class only." An entry form for a dog entered in another class and entered as part of a Team must be marked accordingly in the space provided for additional classes as "Team Class."

MAILED ENTRIES FOR BRACE AND TEAM MUST CONTAIN A LIST OF ALL TEAM MEMBERS WITH THEIR REGISTRATION NUMBERS. If entering online, you **MUST** send an email to entries@raudogshows.com with a list of all brace/team members with their registration numbers, or entry may be refused.

POINTS FOR RESERVE WINNERS DOG & BITCH

CH. 16: SEC. 1 (new 6th paragraph) Each AKC Parent Specialty Club shall have one designated Parent Club National Specialty show per year. All others shall be termed a Parent Club Specialty Show. Unless the Parent Club, in its Application to the AKC to hold its National Specialty, chooses to exclude the following Award; At the National Specialty the dog designated Reserve Winners Dog and the Bitch designated Reserve Winners will be awarded a three (3) point major, provided that the number of dogs competing in the regular classes of the Reserve Winners sex totals at least twice the number required for a five (5) point major, in the region in which this event is held. No Major for Reserve Winners shall be given based upon an award of Best of Winners. In counting the number of dogs in competition, a dog that is disqualified, or that is dismissed, excused or ordered from the ring by the judge or from which all awards are withheld, shall not be included.

AKC Code of Sportsmanship

PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companionship. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.

Biathlon Challenge

The Biathlon Challenge is a competition to honor the most versatile Irish Setter at the 2024 National Specialty.

COMPETITION RULES

To be eligible, a dog must enter and compete in at least two (2) events offered at the National Specialty – agility, obedience, rally and Conformation (not including sweepstakes). Any combination of the two is acceptable. More than one person throughout the competition may handle the dog.

Dogs participating in these events can earn points, even if they do not qualify. Points, however, cannot be earned by dogs that are excused for lameness or unacceptable behavior as defined by the rules of that particular event.

Points will be awarded for only one class in each of the events. If more than one class is entered, the one with the highest number of points earned will be used.

All scoring for the top award will be done from the official judge's book(s) for each event in order to verify the Irish Setter has met the participation requirement (i.e. was not excused)

The dog earning the highest number of points during the National Specialty week is winner of the Biathlon Challenge. Winner of the competition will be announced, and the award presented after BOB on Saturday.
