5641 Indian River Road, Virginia Beach VA**

The first date for the applications to be received, is Wednesday January 15, 2025 so that everyone has time to receive this info and apply. Reservations and payments may be completed online (paper form can be downloaded and printed for snail mail). A Flea Byte will be sent but you can find the link on the ISCA website www.irishsetterclub.org. Under Events > National Specialty > 2025 National > Parking Tab on the right.

Due to an event on Mother's Day at the Founders Inn, no one may arrive before 5pm on Sunday May 11th.

Reserved Parking is just that: RESERVED. No spot gives you line of site to the rings, there is a raised berm between the ring and reserved parking. You can of course groom and set up ex-pens in the reserved parking. There is limited parking near the rooms and **NONE** can be reserved. **Use of cones or anything to save spaces in the hotel parking lot is prohibited and if used, will be removed.** Parking in the area by the hotel rooms is single space parking - no in & out - no awnings! There are also plenty of free single spots in front of the hotel-same rules apply. For in/out parking, a reserved spot is required, but it will not be next to the hotel rooms, but in lots around the back of the property.

Reserved spots are available by reservation ONLY. Each preferred spot is a double width parking spot (approximately 18 feet wide by 20 feet long), which allows for the vehicle and space to work. All parking is on **parking lot surface**. There is grass for x-pens a short walk from your spot but not at your spot. There are 2 fenced dog runs by preferred parking.

If you want to park next to someone you must send in together or sign up for 2 spots online and let me know in the notes section who the 2nd person will be. Those with large rigs (Full size vans & box trucks) or wanting additional space will need to reserve 2 spots to allow for their needs. This area is NOT for motor homes (i.e. vehicles with bathrooms/kitchens, etc.).

Preference is given to those who are leaving their dogs in the vehicle overnight, staying for the longest period of time and staying at the Founders Inn.
