There is also a large arena and round pen that can be used for working/training your horses but not to be used as a turnout or overnight boarding. All corrals are located at or near the barn. I will coordinate and reserve space for judges and key committee members. All other horse stalls and pens will be on a first come/first serve basis for your own use. Please work with me and be considerate by not placing a hold on stalls/paddocks for those arriving later than you.

Animals

Proof of current rabies vaccinations should be available on all dogs brought onto the grounds. Bitches in season are allowed to compete in all stakes. If your bitch comes in season after the drawing, please advise the Field Trial Secretary as soon as possible so that bracing changes can be done and posted in the clubhouse. Please load bitches in season in the designated/flagged boxes.

Training/Roading

No training will be allowed on the Championship grounds 30 days prior to the running of the National Championship. No roading of dogs on Championship grounds in gallery or prior to/or following day's running. You may use area across the road from clubhouse for roading.

Meals: We'll be having a welcome BBQ Sunday evening, Oct. 25, in the clubhouse, sponsored by Team Quantonas and Team Chukarhill. The club is going to be handling meals and doing things a bit differently this year. At this time, we will not be serving breakfast. We're planning soup and sandwich lunches (with drinks and dessert) each day. We're working on the dinner menu and will send out an email after the trial close and drawing, letting everyone know what will be served each evening. This will allow participants to decide in advance if they will be eating in the clubhouse and let us know how much food to prepare.
